## Who We Are

For more than 40 years, Lighthouse Worldwide Solutions has met the indoor contamination monitoring and control needs of the FDA-regulated healthcare, pharmaceutical, and medical device manufacturing industries. We serve customers in more than 70 nations from our USA-based HQ and multiple international offices. Our customers have leveraged our regulatory and contamination control expertise to help ensure their success.

**Our expertise in contamination control has inspired us to create the most innovative surgical N95 disposable respirator to enter the market.**

Lighthouse Worldwide Solutions has developed the SHIELD-95-MEDI surgical N95 disposable respirator to fit more comfortably and securely than any other respirator on the market. The SHIELD-95-MEDI focuses on what matters most to the end-user: fit, breathability, visibility, and durability.

Our customers have told us the SHIELD-95-MEDI is a “fit test champion,” checking the boxes in fit, comfort, and breathability. In addition to a good seal, we know visibility is also crucial; our patent-pending ClearView Bar can increase your peripheral viewing angle up to 25%. As an ASTM Level 3 surgically rated / NIOSH N95 certified respirator, the SHIELD-95-MEDI is the ideal choice for healthcare workers and all others who require a superior quality and high performance surgical N95 disposable respirator.

**Our products are made right here in the USA!**

**We look forward to discussing how we can be of service to your team!**
